

Global Tax Management Ranks #2 in 2017 Best Places to Work in Pennsylvania Medium-Sized Companies Category

WAYNE Pa. (December 1, 2017) — Global Tax Management, Inc. (GTM) has been named among the Best Places to Work in Pennsylvania for the fifth consecutive year, this year coming in at #2 in the medium-sized companies category. The awards program, created in 2000, is one of the first statewide rankings of its kind in the country and mirrors the Forbes national rankings. The awards were presented at a gala celebration held in Lancaster, PA last night.

This awards program was designed to identify, recognize, and honor the best places of employment in Pennsylvania, who are benefiting the state's economy and its workforce.

“The strong foundation we have built here at GTM is all because of the people we hire,” said Dave Laurinaitis, CEO and Executive Director. “Our people genuinely like the work that we do, enjoy working with each other, serving our clients, and giving back to our communities. It gives me great pride to have GTM recognized as a great place to work.”

The program is a public/private partnership between Team Pennsylvania Foundation, the Pennsylvania Department of Community and Economic Development, the Pennsylvania State Council of the Society for Human Resource Management, and the Central Penn Business Journal.
