

## ANTHONY DIGIUSEPPE

### Managing Director

Anthony is a Managing Director in the lead tax practice based out of GTM's Philadelphia Metro office. He has more than a decade of expertise working in federal, state, and international tax compliance, and is well-versed in tax provision calculations under ASC 740 and financial statement presentation. Anthony is a specialist in tax software platforms including CORPTAX, ONESOURCE, and GoSystem.

Since joining GTM in 2005, Anthony has served some of the firm's largest multinational clients with income tax compliance, ASC 740 calculations, tax planning and process improvements. Anthony has become the firm's lead service provider in CORPTAX Tax Software and is a certified user of the system. Using his CORPTAX knowledge, Anthony has not only been able to help clients properly utilize the software but has also assisted in training both staff and clients on how to use it effectively. He is also a driving force behind additional GTM staff CORPTAX certifications.

For more than 15 years at GTM, Anthony has honed his passion of providing quality services through strategic planning and preparation on all engagements. He is a member of the GTM Tax Technical Committee, a group dedicated to researching, communicating, and training tax professionals on complex tax issues. His goal is always to provide the best tax service and advice possible while keeping the process as efficient as possible.

Anthony was born and raised in Philadelphia. He, his wife, and three children currently reside in Bucks County. His hobbies include fishing, exercising, and spending time with his children. He enjoys watching, and at times attending, Philadelphia Flyers games with his son, Anthony.
